Fostering Safer Communities in the ACT

ACT Neighbourhood Watch Promotes Safety, Security and Well-Being

ACT Neighbourhood Watch (NHW) works with our many culturally and linguistically diverse communities (CaLD), our Police and the Government to make Canberra a more safe and secure city to live in.

NHW works with ACT Policing and ACT Emergency Services to give you crime prevention information and to help you prepare for an emergency.

Know your neighbours. Talk to them. If you see anything suspicious in your neighbourhood, call Police Assistance on ***131444***.

If you have an ***emergency*** please call Police, Fire or Ambulance on ***000***.

If you have information for Police and you do not want to give your name, call ***Crime Stoppers*** on ***1800 333 000***.

Call 131450 if you need an interpreter.

If you would like more crime prevention information, go to the AFP website at ***www.afp.gov.au/act.html*** for ACT Policing.

If you would like more information about NHW or want to become a member, visit ***www.nhwact.com.au*** and complete a membership application form.
