**How to avoid being burgled this winter**

Avoid warming your car up in the driveway or outside your property unmonitored.

Keep your car windows and doors closed when away from the car.

If you are going to leave your home, even for a short trip to the local shops, close your side gates, house doors, windows and remember to also close your garage door as well. Be aware of who is around your home when you leave it.

We would like to thank the folks at Shabby Attic Café on Carleton Street Kambah for their support.
