

**ACT NEIGHBOURHOOD WATCH  
ASSOCIATION INC.**

**Station Sergeant Chris Meagher:**

Chris represents a great example of supporting healthy neighbourhoods and vibrant communities through his assistance and encouragement of Neighbourhood Watch. While he was OIC Tuggeranong Station he regularly attended local NHW activities and promotions and on a regular basis provided safety and security articles for inclusion in the Bonython newsletters. Always with time and a smile to all he spoke to and an open ear to what was going on in the local area.

His transfer to Belconnen Police Station coincided with Florey NHW being established and again he was very supportive of the activities being undertaken by the newly formed NHW area. He attended its first general meeting, ensured ACT Policing officers were present at various events and provided sound advice on specific issues.

**Station Sergeant Jason Kennedy:**

Whilst we congratulated Jason on his appointment as OIC City Station we were very sorry to lose him from the ACT NHW Board of which he was a member for nearly two years. He facilitated access and contact with the relevant people within ACT Policing to enable us to readily obtain information or assistance required and his measured advice greatly assisted the deliberations of the Board. Jason's genuine concern for those less well-off members of the Community was evident by his actions and was much admired.

Jason was also the AFP representative on the NHTWA Board for just on two years and his valuable contribution to our Board and the NHW organisation was greatly appreciated.

We thank you and wish you continued success in your policing career.

**Station Sergeant Jeff Knight:**

Jeff joined the Board of ACT NHW when he took up the position as OIC Community Safety after being OIC of City Station. With his wealth of experience he has been able to follow through on a number of issues raised by the Board and when and where required he has made sure there has been a police presence at various events. His contribution to the Board deliberations have always been welcome giving the Board an interesting perspective on many issues.

Jeff has been a member of the ACT NHW Board for just on two years and is a Director of NHTWA Limited.
